The proposals DBT/CTEP/01/20220752972 and DBT/CTEP/01/20220853198 (discussed in 55<sup>th</sup> ECPPB meeting held on August 29, 2022) and proposal no. DBT/CTEP/01/20220952944 (discussed in 56<sup>th</sup> CTEP meeting held on September 22, 2022), the recommendations of the committee were : <u>"Since this is a very large event and the requested amount is also very large, the organizer may directly approach Department of Biotechnology".</u>

The above proposals were again discussed in DBT and it was agreed that these proposals should be supported within DBT-CTEP limits. A formula has been worked out to support these proposals with a budget of Rs. 2.0 lakhs/day.

Accordingly, the recommendations for the above 3 proposals are as follows:

## **CTEP Reasons - Not Recommended**

PC001: Lacks scientific merit

- PC002: Not supported for any training courses/In-house activities/purely hands on workshops
- PC003: Paper Acceptance letter not found
- PC004: Senior Scientist is not supported for poster Presentation
- PC005: Approval of HoD/Lead author and supervisor not found
- PC006: Co-Author in a oral/poster presentation is not supported
- PC007: No Novelty and work proposed is of routine nature
- PC008: No hardcore biotechnology R&D component
- PC009: Received grant in last 3 years
- PC010: Not a mandate of DBT
- PC011: Lacks relevant Expertise
- PC012: Incomplete information
- PC013: Event is over
- PC014: Not Eligible
- PC015: In the present form it is not recommended. However improvement in the R&D may be useful for future support
- PC016: Another/Similar Programme already supported
- PC017: Due to various commitments unable to participate in this event
- PC018: Inadequate/Inconclusive data in the abstract
- PC019: Not focused
