- The proposal regarding participation of DBT in the **“106th Indian Science Congress: Pride of India Expo”** was also received (offline). DBT has been supporting/participating in Indian Science Congress in the past. However, organizers were informed every time to apply for their proposal through DBT’s online portal (DBT-CTEP) as DBT considers proposal through its online platform. The committee noted it and gave its consensus that proposal should be applied online through DBT-CTEP for consideration.
