The proposal was recommended in 60th CTEP meeting held on January 30, 2023 for Rs. 1,00,000/- for two days event dated April 21 -22, 2023. An email has been received from the applicant stating that “because of the reduced budgetary allocations, permission is required to down size the program to a one day conference. Further due to unavailability of the venue, requested to change the date of the programme from 21st & 22nd of April (as proposed earlier) to 27th April 2023.

The Committee noted the request of the applicant.

CTEP rejection reasons available on last page of the minutes

CTEP Reasons

PC001: Lacks scientific merit

PC002: Not supported for any training courses/In-house activities/purely hands on workshops

PC003: Paper Acceptance letter not found

PC004: Senior Scientist is not supported for poster Presentation

PC005: Approval of HoD/Lead author and supervisor not found

PC006: Co-Author in a oral/poster presentation is not supported

PC007: No Novelty and work proposed is of routine nature

PC008: No hardcore biotechnology R&D component

PC009: Received grant in last 3 years

PC010: Not a mandate of DBT

PC011: Lacks relevant Expertise

PC012: Incomplete information

PC013: Event is over

PC014: Not Eligible

PC015: In the present form it is not recommended. However improvement in the R&D may be useful for future support

PC016: Another/Similar Programme already supported

PC017: Due to various commitments unable to participate in this event

PC018: Inadequate/Inconclusive data in the abstract

PC019: Not focused
